

MIKCo 2022 End of Season Sale

Used VCP Aquanaut RM - Red - \$700

Great all around use in a well made RM material. VCP slider skeg. Slalom cockpit. Full deck lines and bungees. Scalloped, welded plastic bulkheads. Strong, durable solid, with VCP's well-built triple dump RM layout. Great journeying boat with high secondary in a dependable for real, long lasting Valley sea boat, sized like our Explorers. *Sold without hatch covers.*

For paddlers 130-190 lb; Dimensions 17'6" x 22.5" x 13.5"

Used VCP Aquanaut RM - Yellow - \$700

Great all around use in a well made RM material. VCP slider skeg. Slalom cockpit. Full deck lines and bungees. Scalloped, welded plastic bulkheads. Strong, durable solid, with VCP's well-built triple dump RM layout. Great journeying boat with high secondary in a dependable for real, long lasting Valley sea boat, sized like our Explorers. *Sold without hatch covers.*

For paddlers 130-190 lb; Dimensions 17'6" x 22.5" x 13.5"

Used NDK Latitude I - Mango/White/Orange - \$2,950

2021 demo model, very light use. The Latitude is a narrow expedition kayak designed for the mid-sized or tall thin expedition paddler. Extended knee bumps are proportioned for the longer legged pilot. We're selling this boat because Nigel has designed a newer model of the Latitude.

Recommended paddler weight: 140-195 lbs.

New NDK Latitude II 5050 Hybrid Layup - \$4,885

- LOA: 17'3"; Width: 19.75"
- Layup: Hybrid 50/50 with carbon kevlar deck, seat, and bulkheads
- Colors: Signal Black/White/Water Blue
- Front Bulkhead: Custom 36"
- Footrests: Included; not yet installed
- Skeg: Kari slider
- Extras: Custom front bulkhead; Water blue foredeck dragon

Recommended paddler weight: 140-195 lbs.

New NDK Latitude II Elite Layup - \$4,785

- LOA: 17'3"; Width: 19.75"
- Layup: Elite layup is a lighter weight fiberglass than the standard expedition layup; it has reinforced keel and stress areas on the deck and hull, and carbon kevlar bulkheads and seat.
- Colors: Turquoise Blue/White/Blue Grey
- Front Bulkhead: Custom 36"
- Footrests: Included; not yet installed
- Skeg: Kari slider
- Extras: Custom front bulkhead; Blue grey foredeck dragon

Recommended paddler weight: 140-195 lbs.

Used Tiderace Xtra HV - Blue and Black Stripe - \$2,750

Very lightly used demo model in excellent condition. MIKCo imported Tiderace when its kayaks were being manufactured by Cobra in Thailand; these are some of the best built modern boats we have experienced. Slider skeg. Well thought out composite seats. Compass recess. Keyhole cockpit. The Xtra HV is a stable, sleek performance based sea kayak oriented toward surf and rock hopping for the larger paddler.

For paddlers 175-250 lbs; Dimensions: 16'7" x 22.25"

New NDK Sport RM - Green with Red cockpit rim - \$2,085

This RM kayak has the new adjustable high performance glass seat, unless otherwise requested, and offers extra leg room due to the raised area, the knee bumps, either side of the cockpit. The seat can be set higher for a smaller paddler. The kayak has a low rear deck for easy rolling, a keyhole cockpit that gives excellent contact, control, and quick exits as needed.

Recommended paddler weight 150-220 lbs.

Used NDK Sportive RM - Green with Red cockpit rim - \$1,700

Smaller version of the NDK Sport RM. Demo model.

Recommended paddler weight 130-210 lbs.

New NDK Pilgrim Expedition Long Cockpit - \$4,185

- LOA: 17'; Width: 19.75"
- Layup: Standard S glass
- Colors: Mango/White/Orange
- Front Bulkhead: Custom 34"
- Footrests: Yakima, not yet installed
- Skeg: Kari slider with new composite box
- Extras: Custom front bulkhead; 4" longer keyhole cockpit

Recommended paddler weight: 110-170 lbs.

New NDK Pilgrim Expedition - \$4,185

- LOA: 17'; Width: 19.75"
- Layup: Standard S glass
- Colors: Orange/White/Black
- Front Bulkhead: Standard
- Footrests: Yakima installed
- Skeg: Kari slider with new composite box

Recommended paddler weight: 110-170 lbs.

New NDK Explorer - \$4,185

- LOA: 17'6"; Width: 21.5"
- Layup: Standard S glass
- Colors: Blue/White/Black
- Front Bulkhead: Standard
- Footrests: New style installed
- Keel Strip: Black
- Skeg: New slider

Recommended paddler weight: 150-220 lbs.

New NDK Explorer - \$4,185

- LOA: 17'6"; Width: 21.5"
- Layup: Standard S glass
- Colors: Spring Green/White/Black
- Front Bulkhead: Standard
- Footrests: Yakima installed
- Keel Strip: None
- Skeg: Kari slider with new composite box

Recommended paddler weight: 150-220 lbs.

New NDK Explorer 5050 Hybrid 3-piece - \$6,285

This 3-piece Explorer has 3 sections that clip together with four cam locks. 3-piece boats are simple and lightweight to transport.

- LOA: 17'6"; Width: 21.5"
- Layup: Hybrid 50/50 with carbon kevlar deck, seat, and bulkheads
- Colors: Pure Orange/Zinc Yellow/Black
- Front Bulkhead: Standard 3-piece
- Footrests: Yakima, not yet installed
- Skeg: Rear rope with new composite box
- Extras: Rear oval hatch; 3-piece with quick lock cam buckle attachment

Recommended paddler weight: 150-220 lbs

Used Necky Looksha T Double Kayak - Lemongrass RM - \$1,300

Stable yet roomy, the Looksha T is a touring double with two large storage hatches, a composite rudder with adjustable foot pedals, and comfortable seats. Length 18'; width 30". Weight capacity 625 lbs. Cockpit size 35" x 17".

Used NDK Romany Surf - \$2,850

Based on the Romany Classic, the Romany Surf is designed for rough water and ease of handling in conditions. It is 2" longer and 1/2" wider in the stern than the Classic, supporting the extra weight and power of a larger paddler.

Recommended paddler weight 150-220 lbs.

Used NDK Greenland Race - \$1,000

Yellow/White/Black. Elite layup. Demo model. Carbon Kevlar bulkheads and seat. Carbon seat is cloudy from UV exposure. The Greenland Race was designed for open ocean racing, long expeditions, and as a faster touring kayak primarily for moderate conditions. The kayak behaves well in the wind, but can be an advanced kayak in rough conditions. Roomy, large keyhole cockpit, lots of foot room, huge dry storage, rugged NDK construction, rear rope skeg for ease of maintenance.

For medium to large sized paddlers 175 – 240 lbs. Dimensions 19'7" x 22.4"
